

D5LC / D8LC Air Heaters

601-113-0402

Espar Heater Systems

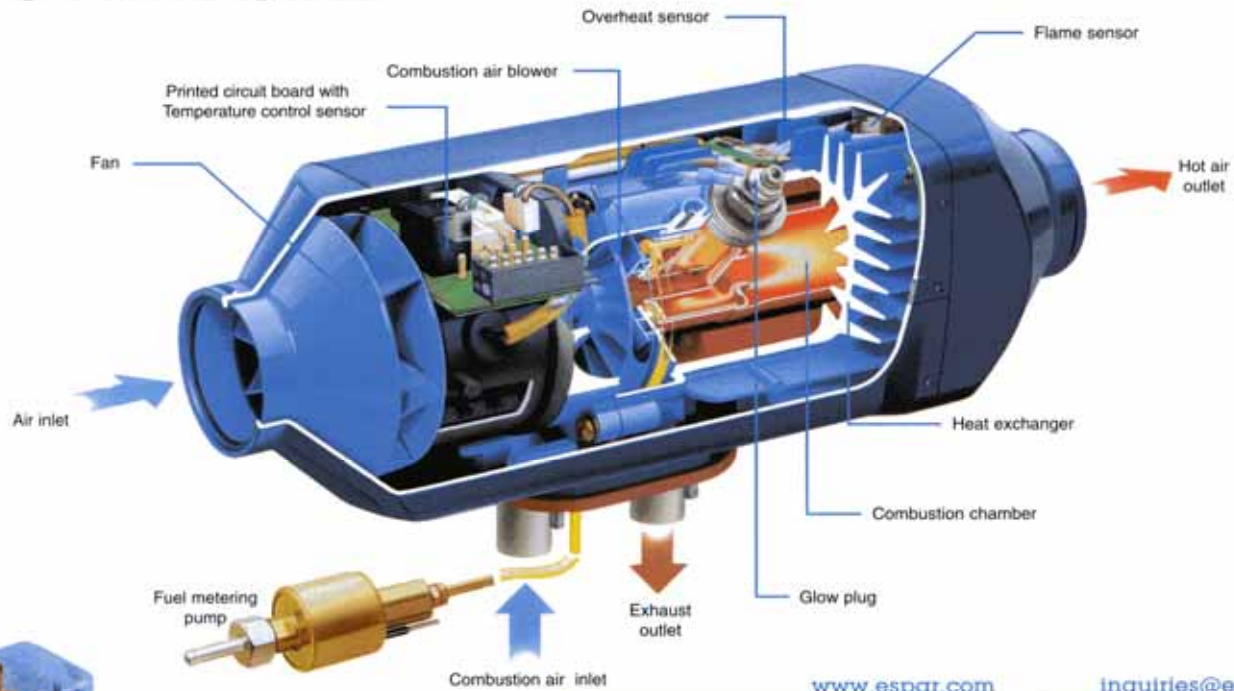

Illustration reflects D5LC only

Espar's D5LC & D8LC air heater are designed for applications such as medium cargo, marine, utility vehicles, school buses and RV's. These heaters combine a high heat output with a relatively small size.

Features & Benefits include:

- Compact
- Economical
- Low fuel and power consumption
- Comfort
- Multiple heat outputs to maintain desired temperatures
- Self-Diagnostics

D8LC air heater
